

January 2008

Larry J. Meares, CAI, GRI, GPPA, president of Meares Company Inc and Southeastern School of auctioneers will end his term as President of the South Carolina Auctioneers Association at the annual meeting in Columbia, SC on January 12<sup>th</sup>.

Meares Auctions Group offers appraisal services for almost any type property except Real Estate, and we have two USPAP certified personal property appraisers on staff. Call Larry at 864-444-1321 or Darron at 864-444-5361 for more information on this service.

One of our plans for the new year is to conduct a consignment equipment auction on the last Saturday of each month. You can also consign antique furniture, glassware, guns, coins, and many other type items for our auctions throughout the year by calling us at 864-947-2000.

Remember, we are the leading estate auctioneers in South Carolina, and will be happy to visit with you to discuss your liquidation requirements. This visit is at no cost to you. We do not conduct Tag Sales, since we feel that is unfair to our clients, and we do not add consignments to our true estate auctions.

If you are the personal representative for an estate, call us and we will discuss the auction method with you.

Meares Auctions has 10 licensed auctioneers on staff and/or on call and we can handle any type auction. We are a FULL TIME – FULL SERVICE AUCTION COMPANY and give your auction our complete attention.
